

TROOP 179

NEW ORGANIZATION CHART 2025

VENTURING CREW VISION

Venture Crew 179 exists to provide service to the Scouts of Troop 179; provide a social outlet for the members of the crew; and to create a positive atmosphere for the crew members to continue in personal advancement either towards the Eagle Scout Rank, a Venturing Award, or both.

QUARTERMASTER VISION

The Quartermaster Program provides Scouts with an understanding of Asset Management. Scouts learn the benefits of inventorying and responsibility. This program ensures the equipment needs of the other programs are met. It encourages the personal advancement towards the Eagle Scout Rank and other personal goals of the youth in the program.

SCOUT BSA VISION

Troop 179 works to create opportunities for the Scouts to learn about teamwork, leadership, responsibility, and Scouting values through adult mentoring at the patrol level. This program gives the Scouts experience of working with a team; and creates a positive atmosphere for the Scouts to continue personal advancement.

NEW SCOUT ON-BOARDING

New Scout On-Boarding provides an introduction to Scouting emphasizing Scouting Ideals, Physical Fitness and Good Citizenship. Scouts should have the opportunity to learn the Scout Skills the First Class Rank. Every Scout should have an understanding of the role of the Patrol Leader, Quartermaster, Scribe, and the Patrol Leaders Council.
